JOINING AN ESOL COMMUNITY

We maintain strong connections with ESOL providers across Edinburgh, regularly attending networking meetings to foster collaborative relationships.

This enables us to offer a robust cross-referral process, ensuring that if our locations or levels do not perfectly match your needs, we can direct you to another provider that is more conveniently located or better suited to your educational level.

By joining us, you are not only becoming a part of our community but also integrating into the broader Edinburgh network, enhancing your learning experience and community involvement.

OUR ENGLISH LANGUAGE SESSIONS

We facilitate weekly English language sessions to practice basic English language proficiency, build confidence in interviews, and develop vocabulary for work practice.

In these sessions we provide a supportive environment for those taking early steps towards communicating in English by engaging women in ESOL and basic IT literacy.

We provide a distinctive learning environment among ESOL providers in Edinburgh, uniquely focusing on pre-college, beginner-level English language instruction. At their core, these classroom sessions are more than just about learning English; they are about building community, exchanging cultures, and creating a welcoming space for everyone in Edinburgh.

HOW DO OUR LANGUAGE SESSIONS ALIGN WITH OUR RIGHTS-BASED PRACTICE?

- Access to Education: Upholding Article 26 of the Universal Declaration of Human Rights (UDHR) which recognises the right to education as a fundamental human right.
- Empowerment: Supporting Article 19 of the UDHR, emphasising the freedom of expression and communication
- Equal Opportunities: Reflecting Article 23 of the UDHR and Article 2 of the Universal Declaration on Cultural Diversity, both of which stress the importance of equal opportunities for education and participation in cultural life without discrimination.
